From a Prominent Physiclan.

Washingtonville, Ohio, June 17, 1889.

Dr. B. J. Kendall & Co., Gents: Reading your advertisement in Turf, Field and Farm, of Kendall's Spavin Cure, and having a valuable and speedy Horse which had been lame from spavin cighteen poorths. which had been lame from spavin eighteen months, I ent to you for a bottle by express, which m six weeks removed all lameness and enlargement and a large splint from another horse, and both horses are to-day as sound as colts. The one bottle was worth to me one hundred dollars. Respectfully yours, H. A. BERTOLETT, M. D.

KENDALL'S SPAVIN CURE.

Ashland, Schuylkill County, Pa., June 3rd, 1880. Dr. B. J. Kendail & Co., Gents:—A case of spavin that came under my observation was entirely cured by one bottle of your Rendail's Spavin Cure, and the tions sold afterwards for two hundred dollars. "The" Druggist. GHAS. H. BAHNARD.

Statement Made UNDEROATH.

To Whom It May Concean.—In the year 1875 I treated with Kendall's Spavin Cure, a bone spavin of several mouths' growth, nearly half as large as a hen's egg, and completely stopped, the lameness and removed the enlargement. I have worked the horse ever since very hard, and he never has been lame, nor could I ever see any difference in the size of the hock joints since I treated him with Kendall's Spavin Cure.

B. J. Kendall, M. D.: Dear vir,—The particular case on which I used your "Spavin Cure" was a malignant ankle speain of sixteen monthy 'standing. I had tried many things, but in vain. Your " pavin Cure" put the foot to the ground again, and, for the first time since hurt, in a natural position. For a family liniment it excels anything we ever used.

It is now known to be the best imiment for man ever used, acting mild and yet certain in its effects. It is used full strength with perfect safety at all seasons of the year.
